QUIZ NIGHT

Fundraising for Abbeyfield House

We are fundraising to build an Abbeyfield house to accommodate older people in independent units operating like a flat, with a live-in housekeeper who will prepare lunch and dinner daily for residents to share in a communal dining room. The houses have shown they reduce loneliness, satisfy nutritional needs and offer security and warmth.

Abbeyfield homes show delayed entry to Rest homes by up to 3 years. The house is affordable with residents contributing Superannuation only. There are 14 Abbeyfield houses in NZ, ours will be the first in Hawkes Bay.
