Ok folks, last call for entries to our Trivia Night, tomorrow evening (Friday) at 6.45pm. 12 teams registered at present so we are all geared up for a busy night of social quizzing. I do enjoy a club trivia night, even if I am on duty in the bar. For me, it's great to see our bar & lounge facilities being used to their full potential but also to see our members, along with family friends, coming together to enjoy this extracurricular activity. If we can raise a bit of club funds in the process then all the better. Room for a couple more teams if you are keen to be involved.

It's the final round of the Sunday Doubles interclub competition this Sunday and it's a play off between our 'Lawn' team and Greendale for the title. You can be sure that both clubs will utilise the best players they have available for this one. I don't have confirmation of our team line up at this stage but we do have the home advantage so come along and show them some support. 10am (ish) start I believe. The bar will be opened around 12pm so that we can all celebrate this impending victory.
