What a result for LT4 over in Kereru for last night's round of Mixed Interclub. I said last week that it could well be a crunch game for the boys, with Kereru one point in front at the top of Div 5. You can see below that it was certainly a close one. Andrew and Olly battling hard to collect points for the team even though they lose their matches. The 'Lawn' taking 9 sets to their 8 and the two bonus points collected are now what separates the teams. Can LT4 hold on to that lead? They will be asking LT5 to do them a favour when Kereru come to visit next Wednesday.

No results posted for Div 1 as yet but the table is still showing LT1 on top. Perhaps I need a bit more insight into what is going on in Div 1. Surf City bottom?

Team	Total	1	2	3	4	5	6
Lawn Tennis 1	35	7	10	11	7		
Havelock North 1	33	10	12	-	11		
Hastings 1	9	-	6	3			
Surf City 1	6	-	6				

Anyway, let's just view it as 3 of our 5 teams on top. I'll take that.

**Beginners Club Day:** Organised every Saturday from 2.30pm. Designed for new players who are wanting to learn basic strokes in order to play. Any members/non members welcome.

**Club Day:** Organised play every Saturday from 3.15pm. Any members/non members welcome. Come along and have a go. Racquets supplied.(please check your shoes before entering the courts – we have had a couple of case recently where tar has been tracked onto the courts and this involves a bit of scrubbing by the committee who will not be very happy with you!

**Squash Whats App** – have you been invited to join the squash community app? Keep up with the latest happenings. If you are interested please contact Holly.

**Squash Tourney Roadie:** Are you keen to head off into the wild blue yonder and experience a squash tournament outside of our Eastern region. **02/03 August - Taumarunui Open** (bring your winter woollies – it has been known to be in the negatives on court for the early Saturday morning matches). You would need to take

the Friday afternoon off for travel and back on the Sunday.  
(Tournament would be 3 games over Friday night and Saturday)  
Register expressions of interest and if we get a big enough  
contingent we can look to car pool/rental van over. Entries through  
to Holly if you are keen, and we will let you know the next steps.

**Cousins Shield/Mitchell Cup:** A big THANKYOU to the club and  
our helpers over the weekend. We had some VIP players who  
thought our setup was “O” for awesome! Many thanks to Holly  
Lomas, Sam Stevens, Nick Simpson, Mike Willis and Tania Willis  
as well as Peemac/Gary/Logan Willis plus Holly for cleaning in  
and around the club prior to the event. If you managed to get down  
to the club to watch some of the squash there were some amazing  
rallies. We did have representation from Eastern at this with our  
own ex member **Jess Dean** in the Hastings Ladies squash who  
finished 6<sup>th</sup> /13 and **Max Moore** in the Hastings Mens team who  
were 16<sup>th</sup>/18.

There will be at least three **Friday Night Singles League** matches being played tomorrow night. This is a new initiative run by Andrew to promote more competitive singles play at the club so it would be great to see it gather momentum. The more playing options we can offer as a club, the better, in my view, so thanks to Andrew for getting this off the ground. As you might expect, it is trending more amongst our younger tennis playing demographic (not many of the Thursday Gents lined up for this one). Honestly, I ain't too sure about the format of this competition yet but the name would suggest that there should be a standings table that we can monitor. Hopefully, I will have more info as the competition progresses.

Yes, Giulio will be here for the **Saturday sessions** and yes, it will be his last before he returns to his native Italy at the end of next week. Andrew will be on hand for support as this has potential to be a big (possibly emotional) one.

10am – 11am, **Tennis Accelerator**  
11am – 12pm, **Cardio Tennis**

Saturday **Club Day** as usual from 1.30pm.
