

Hi Everyone,

The club's Christmas Party is very much all about the kids these days. Starting at 2.30pm, we will provide some fun and constructive ways to let them burn some energy for an hour or two. You can watch them tear around the place from the comfort of the bar/lounge. Of course, it wouldn't be a party without some treats, prizes and good old kiwi sausage sizzle. We are locked in negotiations with Santa's publicity agent right now and are hoping to get an appearance somewhere around 4pm so bring a prezzie for your little darling(s) if you would like Santa to pass it on to them. **Saturday 30th November.**

Speaking of the little darlings, the club is hosting our own HBL Junior Tournament this weekend so there won't be any tennis courts available on Saturday before 6pm. The event is expected to wind up at lunch-time on Sunday though, looking at the weather forecast, may be dependent on rain delays.

Other Tennis Notices...

I believe that we have more singles tennis competitors here now than I have seen at the club, in any of my previous years so there is potential for fantastic Club Champs Singles action this year. Persuading them to actually play club champs singles is another matter and trying to find dates to suit all is nigh on impossible. Let's stay optimistic for now shall we. Get you entry in to Kristen please, either by direct email kristennash007@gmail.com

or use the online entry form link

No slip ups, last night, from the current top two placed teams on the **Business House tennis** A Grade table. With only 3 rounds left to play, Continuous Spouting have all but secured their spot in the final play-off and despite a shaky start, Bad Kids are destined to meet them there for a rerun of last term's final. BNZ doing their best to hang on in the race but really only playing for pride now. They enjoyed a good battle with PGC Constructors and just managed to emerge on the right side. Evolution Motors have a convincing win over Tumu Timbers to distance themselves from the division play-off danger zone. Tumu now three points behind NRE at the bottom of the table and the writing on the wall really with the top 3 teams lined up as opposition for the last 3 rounds. The vultures are circling.

Rench Builders are back in charge of the B Grade division with a good win over Langley Twigg and we've got a very interesting competition on our hands now. Team Rench two points ahead of both Pint Club and ANZ. Pint club effectively put an end to NOW's title bid, holding out 18 -14 and it points toward an untimely crisis of personnel at NOW. They are forced to raid the reserve list to field a team but they do pick a good pair to pit against Pint Club's JD and Elliot. Playing together regularly in our mid-week ladies interclub "Lawn Moas" team, Annie Dennehy and Carol Pinker have obviously struck up a formidable partnership. Certainly a partnership capable of humbling a couple of towering Goliaths. Luckily for Pint Club, their first pairing, Paul and Mike, met no such resistance. Competition sponsors ANZ will fancy their chances but they do have the harder run in. This is going to the wire.

Our **Mid-week Ladies interclub** A Grade reserve ladies just struggling a little bit at the moment but I believe they had a good win at home today. Both A Grade teams still going along nicely and Annie informs me that the 'Lawn Moas' thrashed the Clive Satellites in today's round.

Our Saturday 4's Reserve interclub team ain't doing too bad either:

Our Prem's boys were just giving away too many years to their teenage counterparts from CHB on Saturday. Allen and Paul holding their own in the doubles but the singles competitions proved a bridge too far. Both our teams down in Waipuk this Saturday I believe.
