

Hi Everyone,

Thanks to all that took time out from their busy schedules to attend the AGM on Monday evening. There was a strong representation of all 3 sporting codes present which was good to see. There was certainly more interest than usual from our squash fraternity due to the number of changes to their committee. Tania Willis steps down as Squash Captain but sticks with the squash committee whilst also relieving Elaine Thrupp of her duties as Club Secretary. Holly Lomas picks up the mantle, ushering in a new era of squash at the 'the Lawn' and bringing plenty of fresh faces to the party.

Very many thanks to Wayne Hudson for his service and for coming along to meeting to impart some words of encouragement upon us as he vacates the Vice-President role. Thanks also to our Club Patron, Past President & Life Member - David Sewell for taking some time to address the meeting, as he usually does, regaling us with his historic knowledge of the club. David's health has been a bit below par of late so it was great to see him back here.

Barry Hunt, or 'super' Barry as I often refer to him, will now add Vice-President to his list of duties here at the club. Most of you will already know him as Petanque Co-Captain. Being an engineer by trade and a hugely practical man, there are very few technical problems arising around here that he doesn't have the answers to. Simply put, he is constantly striving to maintain and evolve our club as the best possible

space for us all to enjoy and for that he is the well-deserved winner of the biannual **President's Award**, given for committee members that go above and beyond the call of duty. He wasn't available to collect his award at the AGM. He was probably out helping to save lives in his role as a semi-retired paramedic. Too much?

Bethne Gardner and **John Harkness** were awarded the female and male volunteer of the year trophies. Bethne, of course, well known for her fundraising Trivia Nights (assisted by the aforementioned 'super' Barry). She was also a prominent part of the recent footpath project. John Harkness for his regular keep of the club grounds and for lending a hand whenever called upon. Both have had their names engraved on the trophies plenty of times over the years.

I was very hoping that I could announce a clean sweep of club wins from last night's round but alas, no result posted from LT4's visit to Niven Street so can't fully commit to it. I remain confident though.

Not so good news coming out Tuesday nights ladies interclub round. Spare a thought for Tasha Storey who had to default her first competitive squash match when she did her Achilles. We hope she can recover fairly quickly.

Club Champs for 2024 is coming up soon, being played out between **13th September – 21st September**. Registrations are now being accepted. Please see the sheet on the squash noticeboard.

Masters and Juniors: Friday 13th and Saturday 14th September 2024

Open and Graded: Monday 16th – Friday 20th September with finals being played on the Saturday afternoon, 21st September.

Masters are 35+ with Juniors being 18 and under. Grading will be as at 01 September 2024. Matches are not played for grading points unless both players agree. Entries close Tuesday 10th September at 5.00pm. The competition is knockout style i.e if you lose you are out, if you win you continue on. Everyone is welcome to enter the Open competitions as well as their own grade.

Anybody up for the Tennis Eastern awards and quiz night at the end of the month? Surely we can manage at least one

table to represent the club. Our own resident tennis coach is picking up 3 awards so it would be nice to give him some support. It could be that our tennis captain, Krissy is all over this so have a chat with her in the first instance.

That's it for now. See you at the bar,

Gary.
